Federal Funding Requested (\$100,000 minimum): \$ 2 Million (\$2,000,000)

Anticipated Method of Delivery:

Direct grant to State:	<input type="checkbox"/>
Direct grant to NGO:	<input type="checkbox"/>
Contract:	<input checked="" type="checkbox"/>
Coop Agreement:	<input type="checkbox"/>

Readiness: Project initiated within 7 Days:
Project initiated within 90 – 120 Days:

Estimated Length of Time for Completion: (mo / yr) 12 mths

Jobs created: (Number of FTEs, Temps, Seasonal, Private Sector hires): 20 FTE, 10 Temps, 7 City

Comments:

Conduct an inventory of public trees and open/green spaces to analyze the effects they have on the regional watershed and public and private forest lands; prioritize tree crew jobs based on the inventory to eliminate public hazards and threats to forest health, and to enhance the watershed by systematically removing invasive species and planting trees to increase overall forest sustainability and the function of the watershed. Implement the project using crews trained and supervised by Davey and City of Elgin staff.

Please send your completed form(s) to Ian MacFarlane at ian.macfarlane@mail.wvu.edu and CC Billy Terry at bterry@fs.fed.us by 12:00 pm EST on Thursday, February 19.
