UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

THE ASSISTANT SECRETARY

July 24, 2009

TELETYPE

JUL 30 2009 #4

Office of Elementary and Secondary Education

The Honorable Christopher Koch  
Superintendent of Education  
Illinois Board of Education  
100 North First Street  
Springfield, IL 62777

Dear Superintendent Koch:

I am very pleased to award your State's Title II, Part D (Ed Tech) grant award, which was authorized under the American Reinvestment and Recovery Act of 2009 (ARRA). The Ed Tech ARRA funds are a one-time source of funds that provide an unprecedented opportunity for State educational agencies (SEAs), eligible local educational agencies (LEAs), eligible local entities, and schools to implement 21<sup>st</sup> century classrooms using innovative strategies that enhance instruction, facilitate teaching and learning, and improve student achievement. These additional resources will enable LEAs and eligible local entities to provide new and emerging technologies, create state-of-the-art learning environments, and offer additional training and support for teachers to help students achieve academically and acquire the skills needed to compete in a global economy. Four principles guide the distribution and use of ED's ARRA funds, including the Title II-D funds: (1) spend funds quickly to save and create jobs; (2) improve student achievement through school improvement and reform; (3) ensure transparency, reporting, and accountability; and (4) invest one-time ARRA funds thoughtfully to minimize the "funding cliff."

This letter transmits the Grant Award Notice for the Ed Tech grant awards. The effective date of this grant award is February 17, 2009. This grant award together with the Title II, D grant award issued on July 1, 2009 constitute your state's total FY 2009 Title II, Part D allocation. Please note that this grant award is subject to several terms and conditions, which are detailed in Attachment "T" affixed to the grant award notice.

In addition, we want to remind you of the annual reporting requirements for the Title II, Part D grant program. Currently, States are required to report program performance on four measures as part of the State's annual ED*Facts* submission. The four measures are as follows:

400 MARYLAND AVE. S.W., WASHINGTON, DC 20202  
www.ed.gov

*The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.*

The Honorable Christopher Koch - Page 2

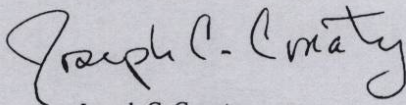

1. The percentage of districts receiving Educational Technology State Grants funds that have effectively and fully integrated technology.
2. The percentage of classrooms with Internet access in high-and low-poverty schools.
3. The percentage of teachers who meet their state technology standards.
4. The percentage of students who meet state technology standards by the end of the eighth grade.

Under 34 CFR 76.720(c)(2), which establishes *EDFacts* data collection as the Department's primary required data collection for elementary and secondary programs, failure by a State to submit *EDFacts* reports as prescribed by the Secretary constitutes a failure under section 454 of the General Education Provisions Act (GEPA) (20 U.S.C. 1234c) to comply substantially with a requirement of law applicable to the program and could result in the Department taking administrative action against the State. For your convenience, a CD-ROM version of EDGAR is included in the award package.

We look forward to continuing to work with you to fully implement the requirements of the *ARRA*, and to ensure that all children receive a quality education. If you have questions about the attached award and related terms and conditions, please feel free to contact Jenelle Leonard at 202-401-3641 or Enid Marshall at 202-708-9499.

For additional information on the *ARRA*, please visit the Department's Web site at <http://www.ed.gov/policy/gen/leg/recovery/index.html> or <http://www.recovery.gov>.

Sincerely,

Joseph C. Conaty
